RE: Construction Project

I would like to provide notice to the Tribal Employees and the general public that the south main entry to the Agency will be closed and blocked off for access for construction purposes starting this coming Monday morning, February 16, 2015.

The front entry doors are to be replaced.

The Tribal Employees and the general public will be allowed access to the Agency through the south east door of the Auditorium, the entry will be marked to give direction when entering the building. Thank you for your cooperation.

We anticipate the construction project taking no longer then a week to complete.
