

Magazine Subscriptions
Brought to you by My Coke Rewards

Yakama Nation Library

March 2016

Did you know?

Children who are read to have bigger vocabularies when they enter school.

Ask your librarian how to get started in the 1000 Books Before Kindergarten program.

Magazines

Support our Library by clipping and saving Coke points, the points go towards mag subs.

If you enjoy visiting Yakama Nation Library, and you drink a lot of coke products, put those bottle caps and box points to some good use. Also, be sure to recycle of course.

Here at our library we try to offer as many magazines as possible. All the magazine subscriptions come at a cost. However, many of our magazine subscriptions are obtained by redeeming My Coke Rewards points.

My Coke Rewards offers over 100 different magazine titles. Right now with the current points we have subscriptions to *Allure*, *Entertainment Weekly*, *InStyle Oprah*, *Rolling Stone*, and *Web MD*.

Instead of just discarding coke product boxes and bottle caps please bring by your unredeemed My Coke Rewards Points. We'll take care of the rest.

Stop in today and check out our magazine rack.

The Secret Art of Dr. Seuss

Theodor Geisel

These fabulous, whimsical paintings, created for his own pleasure and never shown to the public, show Geisel (a.k.a. Dr. Seuss) in a whole new light. The paintings use a dazzling rainbow of hues not seen in the primary-color palette of his books for children, and exhibit a sophisticated and often quite unrestrained side of the artist.
