11. End of Fiscal Year 16; must have all close-outs processed by 11/1/2016.

Halloween Safety Tips

1. Plan a route in advance.

Avoid long paths by mapping out a route, stick to paths you and your child are familiar with.

2. Wear comfy shoes.

Make sure you and your children are in comfortable, well-fitting shoes.

3. Stay well lit.

Apply reflective tape to your child's costume, also carry a flash light.

4. Make sure all costumes are short.

Long costumes drag on the ground & can be dangerous at night.

5. Avoid masks

Masks can make it difficult for your child to see and breathe; use face painting as an alternative.

6. Use flexible props.

Try to avoid costumes that have weapons as accessories or make sure it is rubber or plastic to avoid injury.

7. Check your child's candy.

Be sure to throw away any candy that is not in its original wrapper, or looks as though it has been opened.
